

Dear Parent,

The Birthday Book Program is back for JK-8th grade students. It's a way for your child to celebrate his or her birthday and for us to build the Grace School Media Center collection.

Here's how it works: for a minimum donation of \$16.00, your child may select a book from the Media Center's Birthday Book list to donate to the library.

A bookplate with your child's name will be placed inside the book. In Junior Kindergarten through 2nd grade the story will be read to the class during library time, with an announcement that it is from your child. In all grades your child will be the first person to borrow the book.

To participate in the Birthday Book program, please return this form at registration. A reminder about the donation will be sent home when your child has chosen his or her book.

Please consider honoring your child's special day by improving the quality of Grace's Media Center collection for all our students.

Thank you,
Christa Holm
Grace School Media Specialist
